April 30, 2018

Conway Arena and the City of Nashua Ice Rink Commission are extremely pleased to announce that we are once again able to offer grants to Nashua Non-Profit Organizations for their youth activities.

Conway Arena is a non-profit organization whose Mission Statement is:

To foster the athletic and social development of the citizens of Nashua through sports competition and recreation in hockey, figure skating and public skating, while realizing the educational and life-long benefits of healthy competition and physical activity.

The Ice Rink Commission wishes to emphasize that while Conway Arena's Mission Statement focuses on skating activities, applicants for grants need not be involved in ice or skating programs. Applicants need only be involved in areas beneficial to Nashua's youth, such as healthy recreation, education, positive competition and physical activity.

- The deadline for filing of all applications is 5:00 PM on Monday, June 18, 2018.
- All grant applicants will receive notification of their application status by Friday, June 30, 2017.
- Submissions may be sent in electronically to candace@conwayarena.com, dropped off in person at the Arena, or mailed USPS.
- Conway Arena will host an awards ceremony, to be scheduled in July for recipients to accept their awards.
